

CAMP MEL TROTTER

Our Mission

The mission of **Camp Mel Trotter & Retreat Center** is to help people, of all ages and backgrounds, come to know Christ and to grow in Him. Each person is given the opportunity to gain a deeper understanding of himself, his relationship with God, and God's plan for living and working with others.

The Mission of **Camp Mel Trotter Retreat Center** is to provide a quiet peaceful place for restoration, reunion, meeting, revival, and retreat. Each group is given individual attention as we seek to eliminate all distractions while you are staying at camp.

We accomplish this in three basic ways: **REACHING, BUILDING, and SERVING:**

- Our **REACHING** programs include our evangelistic summer camp programs.
- Our **BUILDING** ministries focus on training Christians in their faith through programmed retreats.
- Our **SERVING** ministry is when we simply serve various ministries that rent our facilities and program their own events.
